Dear Applicant

Working With Children Check – NOT PROHIBITED

Mark Christopher Tempany, 30/04/1968

The Central Assessment Unit (Screening Unit) has finalised your working with children check. The Central Assessment Unit has determined you are **not prohibited** from engaging in child related work. This means you are permitted to work with children in South Australia or, if you applied as a volunteer, you are permitted to volunteer with children in South Australia.

You can commence working or volunteering with children by providing your full name, address, date of birth, and unique identifier to your employer or the organisation you volunteer with so they can verify, through their screening portal, that you have had a Working with Children Check. You will be able to work or volunteer with any employer or organisation for a period of up to 5 years when your next Working with Children Check will need to be completed.

Yours sincerely
Registrar
