Take one step forward in our generation  
Use inspiration to go so far  
Make this place a better nation  
Determine who you really are

**DETERMINATION – Shoot for the stars**  
**DETERMINATION – Be who you are**  
**DETERMINATION – Live from your heart**  
**We can go so far with determination**

*I got this determination for my generation*  
*Inspiration no exaggeration*  
*My position, it's my decision, we can go so far*

When judgement comes what will you say?  
Forgive yourself if you walk away?

Inspiration – Strength – Trying – Acceptance –  
Confidence – Joy - Hope, Courage, Belief
